CARD OF THANKS

I am a bit late with this message--one month--but I spent many of those days reminiscing about the blessed event and having all of my family here for a reunion. It was a very special event to celebrate my 90 years in this special area and all they beautiful people in my life.

At my birthday party, there were many great friends who came to visit and brought many beautiful cards. Due to my loss of sight, I have been blessed with a special machine to do some reading. I want you to know how much I appreciate each one of the beautiful messages of love and friendship. I read each one (one at a time) pondered and gave thanks.

I can't thank you enough for helping me to celebrate my 90 years in this area. Having been born on Jack Creek and spending many years working and in business here, you are all a part of my life.

Now I am so encouraged to start another round. I am sure we can all do it together.

*Blessings and Love and Thanks.
Love you all, Betty Eaton*

Public Notices

PUBLIC NOTICE
In accordance with the provisions of the Wyoming Environmental Quality Act and Chapter 1 of the Solid Waste Rules and Regulations, the Upper Platte River Solid Waste Disposal District has submitted a closure permit application for the Saratoga #1 Landfill.
This facility will cease disposal of solid waste. The 40-acre facility is located approximately 1.5 miles east of the incorporated Town of Saratoga.

More specifically, this facility is located in the SW1/4 SW1/4 of Section 8, T17N, R83W, in Carbon County, Wyoming.
The Department of Environmental Quality, Solid and Hazardous Waste Division (DEQ) has reviewed the application and determined that it is generally complete and suitable for publication. The DEQ's solid waste rules, in Chapter 1, require that the applicant must provide public notice that a proposed permit has been

issued and inform the public that there is an opportunity to file comments on the proposed permit before it is issued in final form. The notice is also required to indicate that the public may file formal written objections to issuance of a final permit. This publication provides notice of those opportunities.
Copies of the permit application, the DEQ's review of the application, and the proposed permit can be viewed at DEQ's Cheyenne office (200 W 17th

Street, Cheyenne, WY 82002), at the Saratoga Public Library (503 W Elm Ave, Saratoga, WY 82331), and the Carbon County Clerk's Office (415 W Pine Street, Rawlins, WY 82301).
Any interested person has the right to either: provide comments on the proposed permit, which DEQ will consider prior to taking final action on the permit application, or file formal written objections to the proposed permit. The period for providing comments, or filing formal

written objections to the proposed permit, shall begin on August 1, 2018 and end on September 10, 2018. Any comments or formal written objections must be received by 5:00 PM on the last day of the notice period. Comments or formal objections must be submitted in writing to the Department of Environmental Quality, Todd Parfitt, Director, 200 West 17th Street, Cheyenne, WY 82002. Formal written objections must be accompanied by a statement of the facts upon which the objection is based. If

substantial written objections are filed, a contested case hearing will be held by the Environmental Quality Council.
In accordance with the Americans with Disabilities Act, special assistance or alternative formats will be made available upon request for individuals with disabilities.
