Lady Miners ... Continued from page 12

tive group, all eight girls, they went into the game with effort from every single one of them," Jones said. "Obviously with a lopsided score, it doesn't always tell what really happened on the court."

Taylor Scott scored 8 points, with 5 rebounds and Campbell had 5 points and 9 rebounds.

Jones said before the game, she had been approached by well-meaning supporters asking what she was going to have the team do against the Lady Tigers. She knew the Lady Miners were going to have a tough time,

but she didn't want her team to feel overwhelmed just getting on the court with Encampment. The questions from the fans made her realize she had to get her team over the fear of being beaten by Encampment.

"We talked before the game and I told them to go out and enjoy the game and play like you have nothing to lose," Jones said. "I felt (with) their effort on the court, they did just that."

Jones was not upset at all about the loss to Encampment.

"My freshman starters were guarded by all state players and

they just kept playing," Jones said. "I told them: 'This was the best practice, I could give you.'"

Jones was surprised how many compliments came from Encampment supporters.

"After the game, some people from Encampment came up to me and told me how impressed they were with my girls for never giving up and that the score didn't reflect that," Jones said. "When I heard those comments, I was so proud."

The next game is at 11:30 a.m. on Feb. 3 at HEM against Rock River.
