REPORTS FROM BOARDS AND COMMISSIONS

Airport Board: Councilman Raymer reported that the last meeting was very productive with the board discussing the following:

The snow removal equipment grant deadline is later than anticipated

Councilman Raymer will be gathering equipment models and base specifications for the right equipment

Implementation of landing fees began on October 1st

Reviewed the asbestos abatement proposal and began discussing the board's preferences for removal or repairing the existing terminal, no action was taken

David Worthington addressed the council with his concerns from the airport board meetings: He stated that the board went into executive session and would not provide any information after coming out of executive session.

Mr. Worthington was reminded that any discussions held in any executive session could not be discussed in public.

Councilman Raymer responded by noting that Mr. Worthington has hired an attorney to address his issues with the airport board and the lease issues. Having done so, Mr. Worthington and his attorney will, in the future, be addressing all issues with the board through his counsel and the town's legal counsel.

HealthCare: Councilman Faust reported on the following:

A group has been established to address sustainability for medical care in the valley and will assist in the transition from the current medical provider to providers of Health Managements Services. A group of interested valley residents have been meeting to discuss the direction the HMS is moving. Following those meetings a board has been established to move forward. The board currently consists of Teense Willford, George Haigh, Sonja Collamer,

Leslie McKlinsky and Will Faust. More members may be added as they move forward.

There will be a public meeting at the community center on November 7th at 5:30 to answer questions and provide information on the new HMS

A temporary clinic has been setup at the community center and in addition to basic care, patients can go in and sign releases and have their files transferred from the current provider to the incoming HMS that will be taking over the clinic

Councilman Faust provided the amended Lease Agreement and the changes that were suggested were discussed.

Councilman Faust made a motion to approve the lease agreement with permission for the Mayor to enter into the agreement with Karl Rude and Health Management Services. Councilman Wilcoxson seconded and the motion carried.
