**APPROVAL OF AGENDA:** Councilman Raymer made a motion to approve the Agenda as presented. Councilman Wilcoxson seconded and the motion carried.

Councilman Wilcoxson made a motion to pay the bills in the amount of \$174,916.14. Councilman Raymer seconded and the motion carried.

**ITEMS FROM THE PUBLIC:** Jason Armbruster, District Ranger, addressed the council with an update on the water and sewer line installations for the Forest Service complex south of town. It was noted that Water and Sewer Foreman Chuck McVey was monitoring the project site daily and working closely with the contractors and project managers. Additionally, it was assured that a resident would be hooked into the sewer line at the lift

station on S. Veterans. As soon as the sewer line is completed the contractors will begin installing the waterline along highway 130/230 and the Forest Service will begin securing easements for that line.

**COUNCIL COMMENTS:** Councilman Raymer reported on the COG meeting and the outcome of the Specific Purpose Tax project proposals. The town has reduced their request by 21% and most communities reduced their requests substantially to bring the total project costs to an amount that voting members of COG approved. The total approved cost of \$52,275,229 for the projects will be funded by the 6th penny tax and will be paid back within 17 years. The importance of the 6th penny tax to all communities in Carbon County and the need to pass the tax in May 2019 was reiterated.

Councilman Raymer made a motion to approve Ordinance No. 848 on second reading. Councilman Faust seconded.

**Discussion followed:** Councilman Raymer thanked the Planning Commission for their diligence in moving forward with Ordinance #848 following the passage of Ordinance #847 which will tie together Mobile Home parks (847) and Recreational Vehicle Parks (848).

Councilman Wilcoxson stated that he didn't think the ordinance needed to be pushed through so quickly. He noted that he thought it would be appropriate for the incoming council to be able to review the ordinance before final passage. He added that he did not like the implications of the following:

18-58-060 (E. & F.) It is vague and will be hard to enforce as nuisance ordinance issues are hard to enforce

Requirements for rest room and shower facilities

(Councilman Faust noted: it only applies to dependent not independent users)

Additional questions asked and answered

Camping in town, tent or campers? Trucks parked along the streets while the driver sleeps Has not changed - this is still not allowed

Will the police be more diligent in enforcing those issues - It is agreed that enforcement is always a high priority

Is there a zoning officer to enforce this ordinance

Mayor Glode called for the question.

Councilman Faust voted yes, Councilman Wilcoxson voted nay, Councilman Raymer voted yes, Mayor Glode voted yes, the motion carried.

The next Planning Commission meeting will be held at 5:00 p.m. on December 11, 2018.
