Notice of Request for a Permit and Hearing Filing Information Before the Wyoming Industrial Siting Council Docket Number DEQ/ISC 18-07 TransWest Express Transmission Line

Notice of Request for a Permit

Pursuant to provisions of the Wyoming Industrial Development Information and Siting Act and Siting Rules and Regulations, Notice is hereby given that TransWest Express, LLC (Applicant) has filed an Application for a Permit to construct and operate the TransWest Express Transmission Project (TWE Project) in Carbon and Sweetwater Counties. The TWE Project is a high voltage transmission system that will extend across four states from south-central Wyoming to Southern Nevada. In Wyoming, the TWE Project will include the Northern Terminal, an associated ground electrode, and a converter station, all in Carbon County near the Town of Sinclair. In addition, about 92 miles of transmission line will extend west from the Northern Terminal following the I-80 corridor toward the Town of Wamsutter then turn south to the Colorado state line. The project is located on 4,298 acres of private, state and federal land in both Carbon and Sweetwater Counties. Construction is anticipated to commence in the second quarter of 2020. The transmission line will take approximately 18 months to construct during 2020 and 2021. The Northern Terminal will be constructed in two stages. Stage I will take approximately 3 years to construct between 2020 and 2022. Stage II construction will take about 3 years to complete (2023 to 2025) but may commence 3 or more years after the completion of Stage I construction dependent on future demand and market conditions. Construction manpower is anticipated to peak at 243 workers in October 2020 and 168 workers in June 2021.

The public may review a copy of the Permit Application at the Carbon County Library at 215 W Buffalo St, Rawlins, Wyoming or at the web page of the Wyoming Department of Environmental Quality, <http://deq.wyoming.gov/>

isd/application-permits/resources/tranwest-express-transmission-line/. Public comments concerning potential social, economic, or environmental impacts that may result from the proposed project may be submitted to the Industrial Siting Division on or before February 25, 2019.

Notice of Hearing

Pursuant to W. S. 16-3-107, Notice is hereby given that the Wyoming Industrial Siting Council will conduct a contested case hearing on the Application for a Permit for the TWE Project at 8:30 A.M. on April 19, 2019 at the Platte Valley Community Center 210 West Elm Avenue Saratoga, Wyoming. The Council will consider the applicant's request for a Permit pursuant to the provisions of the Industrial Development Information and Siting Act (W. S. 35-12-101 et. seq.) and the Rules and Regulations adopted thereunder. Persons eligible pursuant to W. S. 35-12-111 and wishing to participate must notify the Industrial Siting Council in writing by February 22, 2019, and participate in the pre-hearing meeting at 1:30 p.m. on April 3, 2019, in the Auditorium at the Platte Valley Community Center 210 West Elm Avenue Saratoga, Wyoming. Persons desiring to make a limited appearance statement only may submit a written statement as provided by W. S. 35-12-111(c). Limited appearance statements must be given to the presiding officer at the hearing.

In accordance with the Americans with Disabilities Act, special assistance or alternative formats will be available upon request for individuals with disabilities.

CALL FOR BIDS CARBON COUNTY SCHOOL DISTRICT No. 2 NOTICE TO DESIGN FIRMS

NOTICE Notice is hereby given that the Board of Trustees, Carbon County School District No. 2 at 315 North 1st Street, Saratoga WY 82331 hereinafter referred to as "Owner", will receive sealed bid proposals for the Carbon County School District #2 Saratoga Elementary and Encampment K-12 School Secure Entry Vestibules. There should be a separate sealed bid for each location: one for Saratoga Elementary and one for Encampment K-12 School.

DESCRIPTION OF WORK Design proposal for the development of scope, complete sets of drawings and bid documents that encompasses the establishment of security entry vestibules at both locations (completely within the present structures - no additional square footage). This includes all work (any removal and disposal, replacement, upgrades - including all work required by the changes that affect any present system - electrical, plumbing, etc.)

BID OPENING Bids will be received in paper format until 2:00 PM Tuesday, February 19, 2019 in the District Office located at 315 North 1st Street, Saratoga WY 82331. Bids shall be clearly marked on the outside lower left corner of the envelope with one labeled "Bid Proposal for the CCSD#2 Saratoga Elementary Secure Entry Vestibule" and one labeled "Bid Proposal for the CCSD#2 Encampment K-12 School Secure Entry Vestibule", then publicly opened and read aloud. No Bidder may withdraw his bid for a period of thirty (30) days after scheduled date of Bid Opening. Successful Bidder may be required to furnish Performance Bonds in full amount of contract if offered the Contract. Wyoming design firms will be given a five percent preference.

BID CONFERENCE 1. Bidders shall carefully examine all areas of Saratoga Elementary and Encampment K-12 School current entry areas to obtain first-hand knowledge of existing conditions and plan for perceived conflicts and contingencies accordingly. 2. There will not

be a mandatory pre-bid walk-through. Bidders are cautioned to make careful observation of existing conditions at the sites. No extra payments will be allowed for extra work made necessary by failure to do so. 3. All firms wishing to do a walk-through of the properties prior to bidding may set up an appointment with Dr. Jim D. Copeland, Superintendent/Business Manager Sally Wells at Carbon County School District No. 2, 307-326-5271 or jcopeland@crb2.org or swells@crb2.org 4. Any questions may be directed to Superintendent Dr. Jim D. Copeland, 307-326-5271; 307-710-2776; or jcopeland@crb2.org Carbon County School District No. 2 reserves the right to reject any and all bids and to waive irregularities and informalities deemed not to be in the best interest of the School District. Resident Wyoming laborers, workmen, and mechanics shall be used on all work in this contract whenever possible. Preference is hereby given to materials, supplies, equipment, machinery, and provisions produced, manufactured, supplied, or grown in Wyoming, quality being equal to articles offered by competitors outside the State. Notice of Permit Approval Rocky Mountain Power - Gateway West Transmission Line Project Before the Wyoming Industrial Siting Council Docket Number DEQ/ISC 12-10

Notice of Permit Approval. Pursuant to provisions in the Wyoming Industrial Development Information Act (W.S. 35-12-101 et seq.), notice is hereby given that the Gateway West Transmission Line Project of Rocky Mountain Power (Applicant) has received a Permit to construct from the Wyoming Industrial Siting Council. Records of the application and decision can be viewed during business hours in the offices of the Industrial Siting Division, Department of Environmental Quality, or on the Wyoming Department of Environmental Quality's website at, <http://deq.wyoming.gov/>

wyoming.gov/isd/application-permits/resources/gateway-west-transmission-line-project/ .

The Permit allows the Applicant to construct a total of 191.4 miles of 500-kilovolt (kV), 230-kV, and 345-kV alternating Current (AC) electric transmission lines and associated substation facilities as part of their Energy Vision 2020 plan. The 500-kV/345-kV portion of the project begins in Carbon County 20 miles northeast of the Town of Hanna, heading west passing just north of Hanna. It then continues along the I-80 corridor to the west from Sinclair to Point of Rocks, Wyoming into Sweetwater County and eventually terminates at the existing Jim Bridger Substation near Superior. The 230-kV portion of the project is located entirely in Carbon County and begins approximately 10 miles northwest of Medicine Bow and heads southwest terminating immediately southeast of the town of Hanna. The proposed project crosses 101.8 miles of private land, 74.3 miles of BLM-managed land, and 14.7 miles of State land, and 0.7 miles of water body crossings. Construction is anticipated to commence in Q2 2019 and be completed by Q3 2020. Construction manpower is anticipated to average 325 workers over the duration of the construction period from April 2019 through October 2020 and peak at 511 workers in October 2019.

Pursuant to W.S. 16-3-107, notice was given and the Wyoming Industrial Siting Council conducted a public hearing on the Application for Permit. The hearing began at 8:30 A.M. on October 25, 2018 at the Jeffrey Memorial Community Center at 315 Pine St. Rawlins, Wyoming. The hearing included and deliberations of the Industrial Siting Council took place the afternoon of October 25, 2018, at the same location. The Council considered the Applicant's request pursuant to the provisions of the Industrial Development and Siting Act (W.S. 35-12-101 et seq.), and the Rules and Regulations adopted thereunder, and rendered a decision to grant the permit.
