First, I will tell you what I want. Santa can I please have some pig stuff. Also, I'm not trying to be greedy, but can I have a snowball maker? If you can't get a snowball maker I will have a connen candy maker, but I recromend a snowball maker. I want to have a snowball maker because when I have friends over we can have a snow ball fit. I will take care of it by puting it away. I want pig stuff because I am going to fair next year. I will tak care of it by puttin it in my showbox.
Next, I hope you have a safe trip. How is Rudolph is he still geting picked on. What has Mrs. Claus bin doing.
Your favorite Kid, Lexi

Dear Santa,
It is your Jolly friend Hoyt McKinney. Thank you for the best presents, especially for the Lego sets. I have bin good this year and I have bin helping my mom cook dinner almost every day but not every day. Heads up Santa, I don't have a chimney. I really like to play with Legos, so I have these boxes of legos at home and I will keep them safe and sound in them. For example, Santa I really want some more transformers because my brother Fynn broke one of them so I'm thinking about gettting a couple more.
I was wondering how Rudolph is doing by the way how are the other reindeer doing? My family and I will make some good cookies for you with a lot of frosting. How is Mrs. Claus doing at the North Pole? Santa make sure you check the list twice or you will get the kids mixed up. Do

not put me on the naughty list!
You friend, Hoyt

Dear Santa Claus,
This is Gwen Campbell, and I am so excited to get another amazing Christmas from my favorite Santa Claus. I have been good this year, I hope. This year I helped my mom after she had surgery by cleaning and doing the dishes.
This year for Christmas I would like a fluffy coat like you gave Lily. I will take care of it by putting it in the hamper after I use it and I'll call my grandma if Maya chews it. My grandma Knits and sews so she could fix it. Also, I would really appreciate it if you got this really cool phone case that is an adorable picture of a badger. I would take care of it by putting it on my phone and when I take it off I will put it somewhter where its safe. The last thing I would like for Christmas is a Cam Jansen set. I like how she can memorize so many things, like the answers to a math test.
Thank you for always giving me th most amazing gifts! How do you do it? This year i'll ask my mom if I can make you cookies and get carrots for your reindeer!
Your favorite Kid, Gwen Campbell

Dear Santa,
