Notice of Permit Approval**

Pursuant to provisions in the Wyoming Industrial Development Information Act (W.S. 35-12-101 et seq.), notice is hereby given that the Chokecherry and Sierra Madre Wind Energy Project of Power Company of Wyoming, LLC (Applicant) has received a Permit to construct from the Wyoming Industrial Siting Council. Records of the application and decision can be viewed during business hours in the offices of the Industrial Siting Division, Department of Environmental Quality. The Permit will allow the Applicant to construct a 1,000 turbine wind energy generation facility to produce approximately 2,500 to 3,000 megawatts of energy. The facility will be constructed on a 320,000-acre

ranch south of Rawlins and Sinclair and northwest of Saratoga in Carbon County. Pursuant to W.S. 16-3-107, notice was given and the Wyoming Industrial Siting Council conducted a public hearing on the Application for Permit. The hearing began at 10 A.M on August 5, 2014 at the Platte Valley Community Center 210 West Elm Avenue Saratoga, Wyoming. The hearing concluded that afternoon of August 6, 2014 at the same location. The Council considered the Applicant's request pursuant to the provisions of the Industrial Development and Siting Act (W.S. 35-12-101 et seq.), and the Rules and Regulations adopted thereunder, and rendered a decision to grant the permit.
