Water and Sewer Joint Powers Board Chairman, Don Price, explained that at their last meeting, board members had decided to eliminate the reference to trailer houses and apartments in order to simplify the ordinance. Mr. Price stated the board recommends passage of the Ordinance 828 with the revisions read, in order to secure the loan funding from SLIB.

Don Price addressed Mr. Wilcoxson's concerns by stating that the workshop with the council would allow them to work out all the details regarding the trailer houses and apartments before the increases go into effect on July 1st, 2015. The changes can then be addressed in a resolution as previously recommended by Town Attorney, Tom Thompson.

Mayor Pro Tem Welton called for the question and asked that the council be polled.
