

NOTICE OF PUBLIC HEARING

The Town of Saratoga-Carbon County Impact Joint Powers Board (TSCCIJPB) of Saratoga, Wyoming, will conduct a public meeting at 5:30 p.m. on March 6, 2014 in the Town of Saratoga Council Chambers. The purpose of the meeting is to allow citizens to review and comments on the following project. The proposed

project will consist of constructing a wastewater effluent pump station and transmission line (force main) from the outlet of the Saratoga wastewater lagoons to the North Platte River. The project is a result of WYPDES requirements to provide sufficient dilution to meet ammonia discharge limits.

The TSCCIJPB intends to use funds from the Wyoming Clean

Water State Revolving Loan Fund administered by the Wyoming Office of State Lands and Investments. The TSCCIJPB will present the preliminary design of the proposed project and discuss the estimated costs of the improvements. Based on current estimates, the TSCCIJPB plans to borrow \$716,900 from the Wyoming Clean Water State Revolving Loan Fund. Increased

user fees will repay the loan. The average rate increase is estimated to be \$7.20 per month per user to repay this \$716,900 loan, which has terms of 2.5% and 20 years. A preliminary plan for improvements and estimates can be reviewed at the Saratoga Town Hall at 110 East Spring Avenue, Saratoga, Wyoming. Contact Chuck Bartlett at (307)326-8335. Written comments are also wel-

come and must be received by 5:00 p.m. on March 5, 2014. Send written comments to TSCCIJPB, c/o Town of Saratoga, P.O. Box 486, Saratoga, WY 82331.
