

# PUBLIC NOTICES

The concept of public notices has been around since the 17th century and have been published in newspapers since the early days of the United States. They are your way of keeping informed on what decisions your government representatives are making or what they're purchasing with your public funds.

## CATEGORICAL EXCLUSION DETERMINATION For the TOWN OF HANNA, WYOMING AND THE OLD TOWN WATER SYSTEM REHABILITATION PHASE 2 PROJECT CARBON COUNTY, WYOMING

The Department of Environmental Quality/Water Quality Division (DEQ) has conducted a review of the proposed Town of Hanna's (Town) Old Town Water System Rehabilitation Phase 2 Project (Project) in accordance with EPA and State of Wyoming (State) procedures for implementing the State Environmental Review Process. DEQ has determined that the Project is eligible for a categorical exclusion. Accordingly, DEQ is exempting the Project from further substantive environmental review requirements under the State Environmental Review Process. Neither an Environmental Assessment/Finding of No Significant Impact nor an Environmental Impact Statement/Record of Decision will be required for the proposed action.

The following is a brief description of the situation and the proposed action, and a brief statement of how the action meets the criteria for a categorical exclusion.

**Project Description and Need:** The Project entails replacing old, deteriorated, lead jointed and undersized water mains, services and water appurtenances in the northwest section of the Town, north of the railroad tracks; known as Old Town. The existing water mains, services, hydrants and appurtenances have reached the end of their service life and are beginning to fail. The failing infrastructure is creating costly repairs for the Town, with potential for contamination to enter the Town system. Replacement of the infrastructure will greatly reduce the risk of potential contamination specific to the health and safety of the community. Additionally, the project will remove existing cast iron, lead jointed water mains from the system that needs to be replaced to protect the safety and health of the public.

**Project Financing:** The Project's estimated cost is \$2,636,080. Funding for the Project is planned to come from the Wyoming Drinking Water State Revolving Loan Fund (DWSRF) administered by the Wyoming Office of State Lands and Investments. The Town plans to obtain \$406,000 from a loan from the DWSRF, and \$2,030,080 from Abandoned Mine Lands (AML). Additional revenue from the Town's share will come from the Town's reserve account.

The Town is aware of and accepts the fact that it will be responsible for any required mitigative actions associated with and including storm water runoff, erosion control, archeological/historic artifacts, and air quality concerns. These will be part of the standard State Revolving Funds Program contract conditions.

DEQ is granting a categorical exclusion because the Project replaces existing infrastructure. This project will be completely constructed in previously disturbed ground, near the same location as the existing water main. DEQ has determined that exempting the proposed Project from further review under the State Environmental Review Process will not result in adverse impacts to the population, or this area of the Town and Carbon County.

The documentation to support this decision will be on file in the DEQ Cheyenne Office and is available for public scrutiny upon request. Comments concerning this decision may be addressed to Stan Miller, SRF Project Engineer, DEQ, 200 West 17th St. Suite 200, Cheyenne, WY 82002, telephone (307) 777-6371, e-mail [stanley.miller@wyo.gov](mailto:stanley.miller@wyo.gov).

## ADVERTISEMENT FOR BIDS

Sealed Bids for the construction of Dixon Airport, DWX - Replace Wildlife Fence Project, will be received by Carbon County, at the office of the Clerk, at 215 W. Buffalo St., Rawlins, Wyoming 82301 until **2:00 pm local time on March 30, 2022**. The bids will be publicly opened and read aloud in the presence of Bidders at 2:00 pm on March 30, 2022.

Project includes demolition of approximately 6,350 feet of 8-foot tall electrical fence and construction of approximately 11,400 feet of 8 foot wildlife fence.

No bids will be received after the specified hour and date and may not be withdrawn after the time fixed for opening them. The Owner reserves the right to waive irregularities in the bids and reject any and all bids. No bids will be considered in which the Proposal, Specifications or any provisions have been modified.

Bids will be received for a single prime Contract. Bids shall be on a unit price basis, as indicated in the Bid Form. The bidder must supply all information required by the bid or proposal forms and specifications.

Each bid must be accompanied either by a certified check, payable to Carbon County in the amount of five percent (5%) of the bid, or by a Bid Bond in a like amount and executed by an approved surety company. The check or bond will be retained by the Owner as liquidated damages if the successful bidder refuses or fails to enter into contract and performance bond in accord with his bid within fifteen (15) days after date of notification of award.

Minimum wage rates as established by the Secretary of Labor are applicable to the work performed on this project.

The Issuing Office for the Bidding Documents, consisting of Project Manual and Plan Set, is: T-O Engineers, 2175 W. 3000S, Suite 200, Heber City, UT 84032. Prospective Bidders may examine the Bidding Documents at the Issuing Office on Mondays through Thursdays between the hours of 8:00 and 5:00 and Fridays between the hours of 8:00 and 12:00 and may obtain copies of the Bidding Documents from the Issuing Office as described below. Interested bidders must obtain the Bidding Documents from the T-O Engineers Online Plan Room at [www.to-engineersplanroom.com](http://www.to-engineersplanroom.com). Bidding Documents may be ordered in hard copy format for purchase at cost (nonrefundable). Electronic Bidding Documents in PDF format may be downloaded for no cost. To be placed on the plan holders list, bidders must register at [www.to-engineersplanroom.com](http://www.to-engineersplanroom.com).

Bids may not be withdrawn after the time fixed for submitting them. The Owner reserves the right to waive irregularities in the bids and reject any and all bids.

Carbon County and Dixon Airport, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

The Bidder is hereby notified that this project is subject to FAA Federal Contract Provisions, including, but not limited to: Buy American Preference, Davis Bacon, Affirmative Action, Government-wide Debarment and Suspension, and Government-wide Requirements for Drug-Free Workplace.

As used in this notice and in the contract resulting from this solicitation, the "covered area" is Wyoming, Carbon County, Dixon. A pre-bid conference will be held at **11:00 am local time on March 23, 2022** at the Dixon Airport Terminal Building approximately 1 mile east of Dixon, WY with a site tour of the airport to follow after the pre bid meeting. Attendance at the pre-bid conference is not mandatory, but strongly encouraged.

## IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Town of Saratoga Failed to Correct a Significant Deficiency Within Required Time Frame.

Our water system recently violated a drinking water requirement. Although this incident was not an emergency, as our customers, you have a right to know what happened and what we did (are doing) to correct this situation.

A routine sanitary survey conducted on 6/10/2015 by the Environmental Protection Agency Region 8 (EPA) found:

1MG Bolted Storage Tank #2: ST02 - The air vent and hatch must be inspected and the structure/condition must be compared to Tech Tips for Finished Water Storage Facilities.

1) 1MG Welded Storage Tank #1: ST01 - The air vent and hatch must be inspected and the structure/condition must be compared to Tech Tips for Finished Water Storage Facilities.

2) As required by EPA's Ground Water Rule, we were required to take action to correct this deficiency. However, we failed to take this action by the deadline established by EPA.

### What should I do?

• There is nothing you need to do. You do not need to boil your water or take other corrective actions. However, if you have specific health concerns, consult your doctor.

• If you have a severely compromised immune system, have an infant, are pregnant, or are elderly, you may be at increased risk and should seek advice from your health care providers about drinking this water. General guidelines on ways to lessen the risk of infection by microbes are available from EPA's Safe Drinking Water Hotline at 1-800-426-4791.

**This is not an emergency. If it had been, you would have been notified within 24 hours.**

\*Inadequately treated water may contain disease-causing organisms. These organisms include bacteria, viruses, and parasites which can cause symptoms such as nausea, cramps, diarrhea, and associated headaches.\* These symptoms, however, are not caused only by organisms in drinking water, but also by other factors. If you experience any of these symptoms and they persist, you may want to seek medical advice.

### What is being done?

1) The bolted storage tank STO2 will be disconnected by removing a section of pipe and capping the ends. This tank is currently not in service.

2) This Significant Deficiency (SD) has been corrected. Please note that the following SD has been closed in EPA's Database.

We anticipate resolving the problem soon. **For more information, please contact the Director of Public Works at 307-326-8335 or 110 E Spring Ave. Saratoga, WY 82331.**

*"Please share this information with all the other people who drink this water, especially those who may not have received this notice directly. You can do this by posting this notice in a public place or distributing copies by hand or mail."*

This notice is being sent to you by the Town of Saratoga. Public Water System ID#: WY5600061 C

# REFLECTIONS FROM OUR FILES

**100 Years Ago  
March 16, 1922**

## Ira B. Casteel Died Monday in Denver

*Former Prominent Stockmen of the Platte Valley Passed Away in Hospital After Operation*

Ira B. Casteel, formerly secretary and treasurer of the firm of Hunter, Casteel & Hunter, and for years one of the most prominent of the stockmen and land owners of the North Platte Valley, died on Monday of this week in Denver from the effects of an operation performed at one of the Denver hospitals. Of late years Mr. Casteel had become widely known in Colorado financial circles through his connection with the Denver Stock yards bank, of which institution he was Vice President. His sudden death came as a shock to his former business associates and many friends through the length and breadth of the valley.

Ira Casteel as born in Clyde, Missouri, and was 46 years of age on February 16, last. He came to Wyoming in 1888, and engaged in ranching and stock raising, in which pursuit he was very successful. He was also interested in various banking and irrigation enterprises in this state,

and a few years ago removed his headwaters to Denver to give all his attention to banking interests. During the recent war, he worked overseas as one of the dollar-a-year men in the service of the Red Cross. About two weeks ago he was taken ill and after he failed to respond to medical treatment an operation was decided upon as necessary to prolong his life, but his condition was so serious that he could not survive the effects. C.A. Cook, F.H. Healy and other of Mr. Casteel's former business associates from this vicinity went to Denver the first of the week to be present at the funeral.

Sewer System Construction to Be Under Way Soon**

Town officials announced this morning that the funds for the sale of the new series of revenue bonds, \$68,000.00 have been received, and that construction work on the system will be under way in the very near future.

The contractors, Dawson, Corbett and Phelps, have advised the Council that first work will be done on the disposal plant, and that this work will be gotten under

way immediately. The plant will be located near the river line with the north end of Third street.

Excavation work, laying of the sewer lines, and other similar work will start immediately after the high water stage in the river. Council members state the contract calls for completion of the system by November 1, 1947.

**50 Years Ago  
March 16, 1972  
Teacher Application Pouring In**

School district No. 2, which includes the eastern half of Carbon county with attendance center in Saratoga, Encampment, Hanna, Elk Mountain, Medicine Bow, Shirley Basin and McFadden, is evidently a popular place to teach.

In contrast to past year when an administrator had to conduct a recruiting captain to get teachers into small towns, the local district is reaching an average of 65 applications PER DAY for jobs in this area.

According to Assistant Supt. James Donahue, during one day last week over 100 letters wanting positions in the district were received in his office.

Evidently this area is becoming

quite popular with teachers or there is an overabundance of applicants since the board hasn't yet established a salary schedule.

**25 Years Ago  
March 19, 1997  
Council still mulling Capital Facilities Tax**

The Saratoga Town Council passes a resolution to encourage support of tax

The Capital Facilities Tax will not go away.

The Saratoga Town Council passed a resolution at a meeting March 17 encouraging county citizens to support the one-penny sales tax.

"Now, therefore, be it resolved by the governing body of the Town of Saratoga, Carbon County, Wyoming, that the citizens of Carbon County, Wyoming are hereby encouraged to support the optional one-cent sales tax in the construction of vital infrastructure and projects within the county," the resolution read.

Approval of seven of the county's ten municipalities is required before the Capital Facilities Tax can be put on a ballot and presented to the county's people in the form of a vote. A date for which the

issue could appear on a ballot has not yet been set, Saratoga Councilmember Hank Jewell said.

Projects on the ballot will be limited to infrastructure, debt payment and possibly a fire truck, Jewell said. Saratoga has a number of projects online, but has not narrowed the options down yet.

Saratoga Mayor Kendall McBride said those projects include tying in sewer and water lines, street improvement and the Bridge Street project.

The true purpose of the resolution was to show people Saratoga was serious about the Capital Facilities Tax. McBride said the resolution was passed "to let the rest of the county, town and commissioners know that we're sincerely interested in it."

He went on to describe the action as an initial phase to see if the Carbon County Council of Governments has enough towns to really get serious about the one-penny sales tax.

At any rate, Saratoga is not alone in the fight to have the Capital Facilities Tax put on the ballot. CCCOG Chairperson Bob Lauman said at least four other municipalities have also signed similar resolutions. They are Rawlins, Medicine Bow, Dixon and Riverside.

## Invitation to Bid Airport Improvements Saratoga Municipal Airport Saratoga, Wyoming

Sealed Bids, entitled "Entrance Road and Parking Area Improvement Project" addressed to the Town of Saratoga, Wyoming, (hereafter referred to as the "Sponsor" or "Owner") P.O. Box 486, Saratoga, Wyoming, 82331 will be received until 11:00 a.m. local time, Wednesday, March 30, 2022, at which time they will be publicly opened and read aloud. A pre-bid conference will be held beginning at 11:00 a.m. local time on Tuesday, March 22, beginning at the Saratoga Town Hall. The pre-bid is not mandatory, but contractors are strongly encouraged to attend.

No bids will be received after the above specified hour and date, and bids which are not prepared and filed in accordance with proposal requirements and conditions of the specifications may be rejected. The Owner further reserves the right to reject any and all bids and to waive irregularities.

The work is generally described as:

Pavement removal, grading, drainage, crushed base, bituminous plant mix, curb, gutter, sidewalk, fence removal; fence installation; sanitary sewer main installation, and reclamation.

Plans and specifications are available by download from the Engineer's website, HYPERLINK "http://www.sagecivilengineering.com" www.sagecivilengineering.com for a fee of \$20.00. Contract documents are also available for inspection at Saratoga Town Hall, and the office of Sage Civil Engineering, 2824 Big Horn Avenue, Cody, WY.

All bids must be accompanied by a Bid Bond in the amount equal to not less than five percent (5%) of the total bid amount for all schedules, payable to the order of the Town of Saratoga, Wyoming as liquidated damages in the event said successful bidder shall fail or refuse to execute the contract in accordance with the terms of his bid. After a contract is awarded, the successful bidder will be required to furnish a separate Performance Bond and a Payment Bond, each in the amount of one hundred percent (100%) of the contract amount.

The Town of Saratoga, Wyoming, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business

enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

Buy American preference requirements found in 49 USC § 50101 shall be met by first tier contractors, who are responsible for ensuring that lower tier contractors and subcontractors are in compliance.

The trade restriction clause referenced in 49 CFR Part 30 applies to this project and must be included in all contracts and subcontracts.

Bidders must certify at the time they submit their proposal that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction, and further agrees to comply with Title 2 CFR Part 1200 and Part 180, Subpart C by administering each lower tier subcontract that exceeds \$25,000 as a "covered transaction."

The Contractor will be required to comply with the wage and labor requirements and to pay minimum wages in accordance with the schedule of wage rates established by the United States Department of Labor as referenced in the Contract.

Bidders are required to submit a Certification of Non-Segregated Facilities prior to award of the proposed contract, including any subcontracts in excess of \$10,000.

The proposed contract is under and subject to Executive Order 11246 of September 24, 1965 as amended, to the equal opportunity clause and the Standard Federal Equal Employment Opportunity Construction Contract Specifications including the goals and timetables for minority and female participation. Bidders must supply all the information required by the bid documents and specifications.

### NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY

1. The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.

2. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Timetable: Until further notice  
Goals for minority participation for each trade 3.3%  
Goals for female participation in each trade 6.9%  
These goals are applicable to all of the contractor's construction work (whether or not it is Federal or federally-assisted) performed in the covered area. If the contractor performs construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the contractor also is subject to the goals for both its federally involved and non-federally involved construction.

The Contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a), and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs (OFCCP) within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

4. As used in this notice and in the contract resulting from this solicitation, the "covered area" is State of Wyoming, County of Carbon, Town of Saratoga.

BY ORDER OF THE TOWN OF SARATOGA, WYOMING

### INVITATION TO BID

Notice is hereby given that Platte Valley Healthcare Project a 501c3 nonprofit (hereinafter called Owner) will receive sealed Bids for the North Platte Valley Medical Center Project located at 1300 West Bridge Street in Saratoga, Wyoming. The invitation to bid is for Furniture Fixtures and associated equipment in accordance with the Bidding Documents. Work is scheduled to be completed on or before **1 August 2022**.

Sealed bids will be received by the Owner until **5:00 PM local Time, on the 25th day of March 2022**, at Platte Valley Healthcare Project P.O. Box 549, Saratoga, WY 82331. Bids will be publicly opened immediately thereafter at 203 south 1st St., Saratoga, WY 82331

Bid to be developed as per the Instructions to bidders document. The Owner may reject any and all Bids and reserves the right to waive minor irregularities in any Bid. All Bids shall remain open for fifteen(15) days after the day of the Bid opening.

The successful Bidder shall furnish the services specified and the bidder shall guarantee all materials and equipment furnished and work performed for a period of one year from the date of installation.

The Notice to Proceed may be issued within five (5) days of USDA approval.

The contract for the project will be awarded to the lowest Bidder who has met the minimum requirements set forth in Instructions to Bidders

Copies of the RFP may be obtained by requesting a copy of RFP ID: FF&E-1 via email from mpesognelli@hmsmt.com Platte Valley Healthcare Project

### PROPOSED DISCHARGE OF DREDGED OR FILL MATERIAL TO THE NORTH PLATTE RIVER

The Wyoming Department of Environmental Quality (WDEQ) has received a request from Trihydro on behalf of Gary Sherman for State certification of U.S. Army Corps of Engineers (USACE) Nationwide Permit #13, for discharge of dredged or fill material to the North Platte River in Saratoga, Wyoming. The purpose of the project is bank stabilization. This segment of the North Platte River is designated Class 1 where point source discharges are prohibited except for storm water and construction related discharges. This certification will require meeting the provisions in Chapter 1, Section 7(b) of the WDEQ Water Quality Rules and Regulations, which allows these discharges under certain circumstances. Proposed activities include the import of 164 cubic yards (CY) of riprap to construct the toe along with redistribution of 123 CY of alluvium overlain with erosion control fabric, topsoil, wetland sod, and willow plantings to create an approximate 220-foot segment of vegetated bank. Best management practices that includes a cofferdam will be used to protect water quality during construction. Requests for information about the proposed water quality certification should be directed to Eric Hargett by email (eric.hargett@wyo.gov) or phone (307-777-6701). Written comments must be addressed to Eric Hargett, Wyoming DEQ/WQD, 200 W. 17th Street – 4TH floor, Cheyenne, WY, 82002, and be postmarked on or before 5:00 p.m. on March 31, 2022 to be considered. Electronic comments may only be submitted through and accepted by the Wyoming DEQ comment portal provided at http://wq.wyomingdeq.com/commentinput.com/. Phone comments will not be accepted. Para español, visite deq.wyoming.gov.

### REQUEST FOR CMAR QUALIFICATIONS 2022 Saratoga Spring Avenue Utility & Street Improvement Project

The Town of Saratoga is requesting qualifications for a qualified Construction Manager at Risk (CMAR) for the pre-construction and construction phases of the referenced project.

The pre-construction phase includes working with the Town of Saratoga and project engineer (T-OEngineers) to develop a complete plan set, construction documents, schedule, and project cost. The construction phase involves executing the design. Planned improvements include replacement of approximately 1,600 feet of water main, storm drain replacement, asphalt paving, and concrete surfacing improvements.

The entirety of the request for qualifications can be accessed electronically at <https://www.to-engineers.com> via the contract bidding tab.

A pre-proposal meeting for the project will be held on **March 23, 2022 at 3:00P.M.** local time at the Saratoga Town Hall 110 East Spring Avenue Saratoga, WY 82331.

Attendance at the pre-proposal meeting is mandatory for any CMAR who wishes to submit a proposal.

Responses to this Request for Qualifications will be received via US mail or in-person at the Saratoga Town Hall 110 East Spring Avenue or via US mail to P.O. Box 486 Saratoga, WY 82331 until **March 31st, 2022 at 3:00P.M.** local time.

At that time the applications received will be publicly opened and names of applicants read.

The Town of Saratoga accepts no responsibility for the delivery of statement of qualifications (late delivery, undelivered packages, or any other delivery issue or delay) through USPS Mail, delivery services (UPS, FedEx, etc.), or any other means.

All further requirements regarding submittal, qualifications, procedures, and contract award, refer to the RFQ.
