3rd Grade Letters

Dear Santa,
Do you remember me from second grade? It's me Mattison the one who can flip like a monkey on the monkey bars. I hope my sister and brother have been good, so I can play with their toys. Did I mention I loved the monopoly, and yeti in my spaghetti games that you gave me last year. When I play with the Monoploy have, my head spins like a fidgetspinner.

I have been watching my sister and brother so they dont get hurt. I have been baby sitting my brother and sister when my mom and dad leave. So as you can see, I have been trying to be good. Santa, I want tow L.O.L.S. I want a big one that will blow my head off, and one normal one. I have been wanting a L.O.O. for quite some time. I want one because you can dress them up. You can also use them in a dollhouse. You can feed them and unwrape it. I will put it with my little L.O.L.S. I'll put it up high so the dogs and by siblings won't get to it I will check on it every day.

Have a safe trip in that snow. Be careful not to slip. You are going to want to wear your warmest coat you have because it sure is cold in Wyoming. This year, we are going to make the best cookies ever. They will be so sweet your eyes will open wide.

I also have some questions? How are your reindeer especilly Rudolph? Does his nose still glow like a light bulb? How is Mrs. Claus? Has she been making cookies for you? I hope your elves make enough presents. Have a holly jolly Christmas and a happ new year.
Your Freind, Mattison

Dear Santa,
Hello, Bella here! I LOVED My little Mouse you gave me last year! What really made me laugh was when Jerry (yes I named it,) kept bumping into the borders of its track!
I've been a blessing this year. I have been helping my Mom out around the house, and trying not to provoke my sisters.
This year I want a huge, cuddly cat plushy, a Nintendo Switch, animal crossing, and Pokemon: Brilliant Diamond and Shining Pearl. I'll take care of it by putting them back, picking them up, and giving them care. I want them because, I want to do somethings by my self and have alone time. I wish you a safe trip!
By the way, you may want to watch out for the cats and dogs. They can fiesty! Is Jose coming back this year? If he is, say hi for me!
Your Favorite Kid,
Bella

Dear Santa,
Hi, this is Alessia. The girl that loves horses. Thank you for the snow globe and gloves I got last year. My globe got stolen by my brothers, but the snow globes are still mine. It is on my dresser. Even though my brothers put toys in my shoes and pull my hair, but I have been as cool as a cucumber.
I have been good this year. What I want for Chistmas is a Breyer horse names oak. He is an Applelosa Draft horse. His blancket coat is a thing I love most about him. I will put him at my window with my other Breyers I own. He will be on display. I also want some high heel boots. I will use thme for funny fashion shows. I will also wear them to school. That is what I want for Christmas.
I hope you have a safe trip. Chocolate chip cookies will be waiting for you at the house. Gain will be scattered on top of the roof for the raindeer. Will this hlep with the magic?
your favorite Kid,
Alessia

Dear Santa,
Hello! This is Jamis McLinskey speaking. Santa I forgot to tell you that you gave me the best presents last year. I am trying to be good. This moring my sister was presing my buttons like crazy, but luckily I did not let myself get in hot water.
For Christmas, I would like a lego train-track. I want it because I love trains, and I can build a monster to attack the train.
I will take care of it because i have a gigantic lego bucket that I can put it in (it's porbably to get buried.)
Well I guess I have a question. Which house will you go to first? Anyway, I hope you have safe travels and we are making your favorite cookies: chocolate chip (and we might add raisons.) I hope you have a wonderful trip. I don't know why, but I like the name Dasher.
Your friend,
Jamis
